Co-op Advertising

Co-op advertising consists of programs established by manufacturers to encourage local retailers to advertise and sell their products or services. Many retailers are entitled to co-op funds, covering from 25% to 100% of their cost, when they advertise brand name merchandise in the PennySaver. Co-op plans vary depending upon the manufacturer. For additional information about co-op advertising, call the PennySaver's Display Advertising Department at (914) 962-3871.

Credit Policy

New accounts are accepted on a prepaid basis until credit is established. Credit may be established by filing of a credit application and submitting to the necessary credit check. A finance charge will be applied to accounts which are more than thirty days past due. Advertising will not be accepted until payment is made unless special credit arrangements have been made. Customers are welcome to charge their ads on either MasterCard, Visa, Discover or American Express. For regular accounts, payment is due as stated on bill. Rates are non-commissionable. Any fees incurred by sending an account to a collection agency will be the responsibility of the customers.

All returned checks will be subject to a \$25.00 Service Charge.
